

LAZER-SHOT SHOOTING GALLERY 15 Possible Games for your Guests to try

Fun, Exciting, challenging and provides everyone with an opportunity to play. The “**Wild West Shooting Gallery**” simulator works extremely well with **WESTERN THEMED** events. Add to a Fun Fair, Carnival or As Trade-show Booth Attraction. All Simulations allow for computerized scoring....perfect for Team building events and/or contests....Top scores are tracked

Using the latest laser & computer technology, along with a brilliant projection system, you too can experience all of the fun and challenging Shooting Sports without ever firing a real shot. We can simulate a wide variety of shooting environments using highly accurate laser-firing rifles, with superb moving images projected onto a big 10' screen. A special camera reads the laser shots and relays that information to the computer for a simulation experience like no other!
